SUBJECT: INDONESIA -- HUMAN RIGHTS REPORT ROLLOUT

REF: STATE 24302 AND PREVIOUS

11. (U) On March 12, Mission publicly disseminated the 2007 Country Report on Human Rights Practices chapter on Indonesia. Mission's Public Diplomacy Section posted the full text of the Indonesia chapter on Mission's web-site ([www.usembassyjakarta.org](http://www.usembassyjakarta.org)), as well as a story about Secretary Rice's delivery of the report to Congress. translated version of the report will be widely distributed and posted on Mission's web-site by mid-April per the legislative mandate (reftel).

12. (U) In addition, poloff disseminated the report to key contacts in the government and the human rights community, Recipients included: the National Commission on Human Rights; the National Commission on Violence Against Women; the Director General for Human Rights; and over a dozen major human rights NGOs and key contacts in government.

13. (U) In the first few hours since Mission disseminated the report, we confirmed that several key contacts had received the report and were reviewing it. Leading human rights activists told poloff that they appreciated receiving the report and promised to share reactions to the full text as soon as they have time to digest it. Because the report just came out, there has not yet been any press reaction.
